

Sub. : **Invitation for contributing Research Paper/ Perspective/ Case Study/ Book Review/Bibliography in Knowledge Hub bi-annual research journal.**

Dear Professor/ Scholar,

It really gives me heart-felt pleasure to invite you who own a vast reservoir of teaching, research and training and consultancy experiences for its exposure to the vast majority of academicians and intellectuals through the research journal **Knowledge Hub**.

Knowledge Hub- A scholarly and peer-reviewed bi-annual research journal is an assimilation of authentic cutting-edge research works, reliable conclusions, and genuine thought- provoking explorations of Intellectuals. With an objective to bring about the best in front of the intellectuals at large, Knowledge Hub was getting published from RATM, flagship Institute of **R K Education Hub**, a renowned twelve years old educational group. And by now five editions & ten volumes of **Knowledge Hub** have been published. With A large pool of India and across the world's leading faculty on its board **Knowledge Hub** is successfully getting wide recognition and laud from major segments of intellectuals and has been listed in Cabell's Directory USA.

What's new in Knowledge Hub – From the first edition itself, KH has always welcomed with open heart productive suggestions, more attractive referencing style, new kind of information in the form of feedback and comments. As a result, we were receiving continuous requests from the scholars and vast section of academicians to widen the areas of streams to be published in KH. Accepting with pleasure, now from the ensuing sixth edition we have planned to give a new agreeable avatar to **Knowledge Hub** by adding two other fields namely **Engineering & Technology and Architecture**. Hope this new avatar will surely quench the thirst of our researchers.

Engineering & Technology

- Computer Science Engineering
- Information Technology
- Electronics & Communication Engineering
- Mechanical Engineering
- Civil Engineering

Architecture

- Housing
- Urban Design
- Conservation, Theory of Design
- Planning
- Landscape Architecture
- Urban & Rural Planning
